EDUCATION

Queens College

BA in Computer Science(GPA: 3.34)

Organizations/Awards: Honors Program, Seek Program

Queens, NY

Graduation Date: June 02, 2022

WORK EXPERIENCE

Summer Youth Employment Program

Teacher Assistance(Mentoring)

Manhattan, NY

06/2019 - 08/2019

- Monitored students during lessons and skill-building activities such as home economics, arts, social studies, and outdoor activities for pre-k students under the teacher's guidance.
- Monitored student health and accompanied students in the health office.
- Developed strong relationships with parents and children.

Verizon Innovation Challenge

Software Developer

Queens, NY

10/2017 - 06/2018

- Worked in a team to create an online application for the Student Success Center using HTML, CSS, and Javascript.
- Engaged in the team that addressed the client's needs and proposed different templates to evaluate a functional website.

Practice Makes Perfect

Teacher Assistance(Mentoring)

Queens, NY

07/2017 - 08/2017

- Provided lesson plans to advance 4th graders' knowledge in Coding, Math, and English. Increase the student interest in coding by 20% with the app scratch.
- Used verbal communication to collaborate with coworkers and teachers to create a friendly environment.
- Worked in a diverse environment to develop excel spreadsheets to calculate student attendance and measure the program's impact on students.

Volunteers

New York Care

04/2019

- Used therapeutic horsemanship to help riders in NYC with disabilities walk, talk, and learn.
- Co-instructed and monitored the rider. Prepared and groomed the horse during free time.

Daycare

12/2019

- Provided support to children in pre-k. Taught children basic skills and engaged them in fun-filling activities; helped preschoolers with art and crafts. Helped after-school children with homework.

SKILLS & INTERESTS

Skills:

- Technical skills: Microsoft Word, Microsoft Excel, Java, JavaFX, SQL, Postgres, Spring-boot
- Soft skills: Organization, Communication, Time Management

Objective: I am a passionate person who wants to work for an organization where I will be continually challenged and pushed in my role. I am dedicated and committed to the work I do. My curious mind forces me to learn new skills. I'm looking for a company to add value to, where I could contribute my knowledge, and where I could join a strong and hardworking team.
