Brooklyn, NY| [prieya-naraine-095534157](#)| 718-314-9291| pnaraine99@gmail.com

EDUCATION

Queens College   **Queens, NY**
BA in Computer Science(GPA: 3.34)   *Graduation Date: June 02, 2022*
- Organizations/Awards: Honors Program, Seek Program

WORK EXPERIENCE

Practice Makes Perfect   **Queens, NY**
Position   *07/2017 - 08/2017*
- Built and executed lesson plans to grow 4th graders' interest in Software engineering, and taught students to build games on the app scratch.
- Collaborate with coworkers and teachers to build a friendly environment and to grow the knowledge of students in different subject areas including Math and English.
- Worked with multiple teams to develop an excel spreadsheet to manage student attendance and formulate strategies to encourage more individuals to join the program.

PROJECT EXPERIENCE

Airline Reservation   *11/2021 - 12/2021*
- Created an online system to purchase airline tickets using Java; used design patterns such as builder design pattern, visitor design pattern, and factory design pattern.
- As the leader of this group project, I created a schedule for each task and helped my team adapt to changes such as withdrawn students. Created regular meetings to keep everyone updated and helped the team with any difficulties.

Verizon Innovation Challenge   *10/2017 - 06/2018*
- Created an online application for the Student Success Center at my school using HTML, CSS, and Javascript.
- Worked together to propose different templates of the website and evaluate the functionalities of the design.

ScriptED - Google   *08/2017 - 06/2018*
- Attend regular class at google every Monday and collaborate with students to execute daily tasks and seek help from the employees if possible.
- Used firebase to create daily projects and attend meetings with the team.

Events

Scripted Hackathon 1   *12/2016*
- Execute a website for code for change requests by providing a page that allows people to communicate with each other about their problems. Used google map to allow the user to communicate with people closer to their location. Was the team leader of this outstanding project.
- Placed in the top 3 out of 20 teams.

Deutsche Bank   *10/2019*
- Attended a career fair at Deutsche Bank and had the opportunity to meet students from different colleges including Columbia and NYU. Able to communicate, receive and understand information about the company, interviews, and diverse groups of people.

SKILLS & INTERESTS

Skills:
- Expose to JavaScript, Python, HTML, CSS, C++
- Proficient in Java, SQL, Postgres

Overview: A hard-working person with a Bachelor's degree in Computer Science that has a passion for programming and is open to learning new technologies. Hoping to obtain a Full-Time position in which I contribute my knowledge, collaboration, and communication skill
